PC:

By these petitions the petitioners have challenged the action of the Government to its nominated agencies in not giving petitioners Freedom Fighters' Pension for their participation in Goa Liberation Movement. Factual averments in the petition have been denied. Claim is made by the persons after so many years. In such circumstances in our opinion, interest of justice would be made if the petitioners are asked to make fresh representations annexing therewith necessary documents and other evidence alleged in the reply and claim reconsideration of their case for grant of such pension. If such applications with all the details are made within a period of two months from today the concerned authorities shall decide these representations as early as possible preferably within two months. With these directions all these writ petitions are disposed of.
